

MEET THE REAL CHARACTERS

MISS GRAYSON

Or 'Salt 'n' Pepper', as the school kids like to call her (just never to her face). She's in a 'REAL' class of her own. A Duchess amongst dinner ladies, who doesn't stand for any monkey business as she keeps a watchful eye on the goings on in the playground. This one's crackers mind you, she'd shout at a circle for not getting into line.

SHORTER INTRO

Miss 'Salt 'n' Pepper' is in a REAL class of her own, lives in a world of black & white, she will shout at a circle for not getting in line this one.
